Re: United States v. Christopher Kyle Johnston, et al., 20-cr-800

Dear Judge Kiel:

I write to respectfully request a three-week extension of the time within which the Government must file its response to the post-trial motions filed by defendants Christopher Kyle Johnston and Trent Brockmeier. The Government requires an extension because the defendants' motions are quite extensive and my co-counsel is on extended leave this month. With the extension, the Government's response would be due on July 3, and the defendants' reply briefs would be due on July 17. Counsel for both defendants have kindly consented to this extension.

Thank you for your consideration of this request.

Respectfully submitted,

ALINA HABBA  
United States Attorney

**So Ordered. The Clerk of the Court is  
directed to terminate the motion for  
extension of time at ECF No. 330.**
